In Automate Setups

We need to make sure that any robot setup date that would fall on Saturday or Sunday is set to the following Monday instead.

[FORMULA]

```
CASE(
MOD([Opportunity].CloseDate + 180 - DATE(1900, 1, 7),7),
0, [Opportunity].CloseDate + 181,
6, [Opportunity].CloseDate + 182,
[Opportunity].CloseDate + 180
)
